Why your support is important

- + Montclair Film is a non-profit organization that relies on sponsorships, donations, and grants to operate and thrive
- + Approximately one third of our annual philanthropic support comes from Sponsorships
- + We provide scholarships to all students who cannot afford to attend education classes and we provide supplemental arts education in under-resourced communities
- + We strive to ensure our festival programming includes diverse voices of individuals and reflects the experiences of women, people of differing abilities, immigrants, senior citizens, and other traditionally under-represented groups
